

This Art-Peace is called "A Journey to the Promised Land". The Promised Land according to The Hebrew Bible is in the Land of Israel. To the left of this Art-Peace, reading vertically in Hebrew is the word Israel spelled **יִשְׂרָאֵל**. Count three letters from the top to bottom and you will see the Hebrew Letter "**Reysh**" **ר** on the left & right of the letter are two other letters. The "**Aleph**" **א** on the right, and the "**Tzaddik**" **צ** on the left forming the Hebrew word "**Aretz**" **אֶרֶץ** with means Land. So this word combination says "The Land of Israel", where the Land of Promise is located.

There are two Hebrew words to the right, The big two letter word reading horizontal from right to left is the Hebrew word "**Ner**", **נר** meaning "**Candle**". The smaller three letter word reading vertical is "**Amet**" **אמת** which means "**Truth**". Now if you were on your Journey to the Promised Land wouldn't you want the lamp or "**Candle**" of "**Truth**" to find your way home to the the Land of Promise? I know I would! ;)

Now let's take a closer look at "**Amet**" **אמת** which again means "**Truth**". You will notice some triangles and squares on each letter of these three letters forming the word "**Truth**". The hidden meaning here is to connect "**Truth**" to the "**Primordial Light at the Dawn of Creation**" using these shapes. You see, according to the Hebrew Bible, it says the sun moon & stars were created on the third day of creation. Yet light is said exactly five times on the first day of creation so this light supersedes the light of the sun moon & stars. Light in Hebrew is "**Owr**" **אור** and it has a numerical value of 207. If you take a look at the "**Primordial Light**" as a whole, being said five times on the first day of creation, the total would be would be $207 \times 5 = \mathbf{1035}$. So what's the connection of this "**Primordial Light**" @ "**1035**" to the Hebrew word for "**Truth**"? Well, let's make the connection between "**Truth**" and the "**Primordial Light at the Dawn of Creation**" using this Art-Peace.

"**Truth**" **אמת** is spelled using three Hebrew letters. The "**First**" letter in this word is the "**1st**" letter of the Hebrew Alphabet "**Aleph**" **א**. The "**Second**" letter in this word is the "**13th**" letter in the Hebrew Alphabet "**Mem**" **מ**. The "**Third**" letter in this word is the "**22**" letter of the Hebrew Alphabet "**Tav**" **ת**. Now let's take a look at the letters and their corresponding numerical placement with in the Hebrew Alphabet. This process is called Gematria in Hebrew and is a process that is used to look deeper into the meanings of words. Let's now complete this numerical analysis by looking at the triangles and squares on each of the letters. "**1**", "**13**", & "**22**".

"**1**" squared = "**1**". The "**1st**" triangular number is also "**1**". "**13**" squared = "**169**". The "**13th**" triangular number is "**91**". "**22**" squared = "**484**". The "**22nd**" triangular number is "**253**".

If you add "Aleph" or 1 + it's square 1, + it's triangle 1, you get "**3**". If you add "Mem" or 13 + it's square 169, + it's triangle 91, you get "**273**". If you add "Tav" or 22 + it's square 484, + it's triangle 253, you get "**759**". Now to add up these three letters that form the word for "Truth" with their corresponding shapes we just went over. (Most people know what a square number is. However if you're unfamiliar with triangular numbers Its easy to find the information online.) $3 + 273 + 759 = \mathbf{1035}$ this shows us that the "**Primordial Light at the Dawn of Creation**" was built and established on "**Truth**" triangles and squares!
