

To:

I am a Christian. I believe the Holy Bible is the infallible Word of God. As a Christian, I believe my body is the temple of God where his Holy Spirit resides within me. 1 Corinthians 6:19-20, Ephesians 1:13-14.

We know that the Covid Vaccines are developed for use by using human cells from aborted fetuses HEK-293 from the early to mid-1970's and per C6 from 1985. We know these cells (genetic materials) are not in the vaccines but they are used in the process to develop and test the vaccines.

I cannot in good conscience use the deaths of human beings to justify myself getting the Covid vaccine. My religious belief is that Life begins from conception (Psalms 139:13-16, Isaiah 49:1) I cannot take this Covid vaccine and know that all would be well with my soul.

His word tells me to pray about all things. (Philippians 4:6-7). This I have done. He has pressed upon my heart not to take the Covid vaccine.

I will stand with my religious beliefs. (Job 23:10-12)

Respectfully,

Name and date

Per the RCW42.56.235:

Religious affiliation exemption.

All records that relate to or contain personally identifying information about an individual's religious beliefs, practices, or affiliation are exempt from disclosure under this chapter.
