

We are about to explain how you can calculate the Diameter & Circumference of the Entire Observable Universe using this Art-Peace.

The following is the scientific notation for the Diameter in meters of the Entire Observable Universe.  **$8.8 \times 10$  raised to the 26th power** will give you 880 septillion meters which is equal to 93 billion light years. The Diameter of the Entire Observable Universe.

Then to figure out the circumference of the Entire Observable Universe you then simply multiply the diameter of 93 billion light years times pi (3.141592653...) giving you the Circumference of the Entire Observable Universe which is 292.17 billion light years.

1st to find the Diameter hidden in the the Hebrew Bible, the Holy Torah, At the Top of this Art-Peace is Shemot or Exodus 25:16 which says “And thou shalt put into the ark the testimony which I shall give thee.”

In Hebrew, the numerical value of this passage is equal to “3036” so let’s analyze the ancient passage for a moment. Maybe its possible to find out the Diameter of the Entire Observable Universe using these 26 letters?

1). What is the testimony? The testimony is the “10” commandments which is represented in this Art-Peace by the 10th letter Yood in the Hebrew alphabet.

2). Who is I? I is “26” the Divine & Holy Name of G-d who is speaking to Moses. G-d wrote the 10 commandments with his finger & gave them to Moses saying thou shalt put it into the ark of the covenant. G-d’s Divine Name is Yood-Hey-Vav-Hey & has a numerical value of “26” the power to which we raise the 10 commandments, to find the Diameter of The Entire Observable Universe & their is also exactly 26 letters in this passage Exodus 25:16

3). Who is Thee? “Thee” is Moses of course! Moses has a numerical value of “345”

Now we can find the Diameter by using all of these Numbers 3036, 345, 10, and 26. As  $3036/345 \times 10$  to the 26th power will give us of the Diameter of the Entire Observable Universe

May we bless Adonai the King, may we Fear His Holy Name & Remember the Torah of His servant Moses. The Hebrew Alphabet is the Genetic Fabric of the Universe, the Holy Torah is the Mirrored Reflection of Pure Divine Will (God) in the Cosmos, and may the Light of the Holy Torah fall like rain upon the Earth. Amen!

May this Art-Peace shed the Light and Truth of the Holy Torah upon all those who See it and Hear the Words their in. May this Art spark Holy conversations that are pleasing to our KING!
