

## WHAT SETS EL SHADDAI MINISTRIES APART

What sets El Shaddai Ministries (ESM) apart is that people from every denomination, religious and cultural background as well as ethnicity feels included. On every Shabbat, we will have over 300 cities within 30 nations livestreaming. ESM reconnects the cultural context of the Gospel to its Biblical roots, including a proper understanding of the original language from which the Word was written. We love to connect the prophecies of the Bible to see how they are also unfolding in our day.

ESM is a teaching ministry and has a local congregation in addition to a world-wide internet ministry. Some 40,000 people connect weekly with our website to watch archived teachings and take advantage of postings of current news, downloading and copying our handouts.

ESM understands that Yeshua was a Jewish rabbi who taught Torah. He never denied His Jewishness, and He never changed His beliefs. Many ignore the fact that Jesus (Yeshua) was and still is a Jew, and that the Jews are still His chosen people. Yeshua is not only our promised Savior, but He is also the King of the Jews, and as Romans 1:16 says: "For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes, to the Jew first and also to the Greek." His very name, Yeshua, means Salvation. **Yeshua was raised in the Jewish culture, He kept the Shabbat as well as the Feasts and the Law. He will return as the King of the Jews, and will rule and reign from Jerusalem.**

ESM is committed to deepening the recognition and significance of the Jewish roots of our Christian faith in preparation for the Messiah's return when all things will be restored.

ESM exists to equip believers to discover and understand the authentic roots and deeper meaning of our faith. We want everyone to grow in the depth of their relationship with the Lord!
